Team Captain/Manager (Circle one)

**NOTES:** Crew composition will consist of 18 paddlers (minimum 6 female paddlers), drummer and steersperson per each boat. **EXCEPTIONS** - Open, Women and All Female Cancer Survivors Divisions.

A paddler may be rostered on only one Mixed Division team. The Open, Women and Master Division rosters may reflect composite teams. **EXCEPTIONS** - Drummers and Steerspersons can race in more than one division.

**WRISTBANDS (Mixed Division I & II ONLY)** - a **maximum of 21 wristbands** will be distributed to each mixed team. Only the 18 paddlers, 2 alternates and team leader will receive wristbands. Drummers and steerspersons will NOT receive wristbands. Example - if a team has 18 paddlers, a team leader, and 1 alternate listed on its roster, a total of 20 wristbands will be given to that team.

Wristbands will be checked at the marshaling area and paddlers **WITHOUT** the appropriate color wristband will **NOT** race in that mixed division heat. It is the team leader's responsibility to ensure paddlers wear the correct color wristband **BEFORE** lining up for that race.
